CHAPTER SIX / NUMBERS TO NINETY-NINE

Try what you have learned

Try alone. Draw bundles on extra paper if you need them.

Write forty-six in digits.

Read 81 in words.

Complete: 38, 39, __, __.

CHAPTER SIX / NUMBERS TO NINETY-NINE

Places, order and meaning

Try alone. Draw bundles on extra paper if you need them.

Write 93 as tens and ones.

Write 95 to 99.

Why is 60 different from 6?

CHAPTER SIX / NUMBERS TO NINETY-NINE

Remember and repair

Tell first. Your adult can record your spoken explanation.

Explain how ten loose ones become a new ten.

Choose a number from 21 to 99. Build it. Draw and record tens and ones. Say its name.

After help, try a NEW number your adult gives. Build it, say it and write it without copying.

CHAPTER SIX / NUMBERS TO NINETY-NINE

A fresh number try

An adult prepares new materials using the textbook adult list.

Count the real set your adult gives. Record the total.

Build the two numbers your adult says. Draw bundles and ones.

Read each shuffled card aloud. Then point to the cards your adult names. Do not use pictures to guess the names.

Cover every card, model and ALL earlier handwritten answers. Write the new spoken numbers below or on fresh paper.
